

Rangapara College, Rangapara

Sonitpur-784505, Assam, India

1. Title: Policy for Research and Development
2. Objectives: The main objectives of this policy are:
 - To create an ambience to nurture research.
 - To promote inter and multidisciplinary research and innovative skills of the faculty members and students.
 - To encourage the faculty members and the students to publish quality research papers.
 - To create quality human resources for scientific research.
3. The college functions with the following general policy to achieve high quality and world-class research standards.
 - (i) To establish a research and development cell to regulate the research activities.
 - (ii) To organize workshops, conferences and seminars for providing a conducive climate for research and development.
 - (iii) Research publications in SCI/AHCI/SSCI, scopus and UGC care list journals as well as in reputed conference proceedings are considered only.
 - (iv) To provide complete freedom for faculties to perform their research according to their area of interest and also gives the freedom to collaborate with anybody and or another institute.
 - (v) To provide infrastructural facilities to Departments and faculty members in order to facilitate and promote research.
 - (vi) To introduce some Minor Research Projects (MRPs) for the faculties and students.
 - (vii) To motivate faculty and students to publish and to present research papers / articles at various national and international conferences and seminars by providing appropriate financial grants.
 - (viii) To offer financial assistance (full/partial) to organize workshops, seminars, conferences.
 - (ix) To introduce some academic awards such as highest publications, highest citation in an academic year, overall highest citation etc.
 - (x) The policy encourages the Departments and/or faculties to start some journals for publishing quality research papers.
 - (xi) This policy does not allow any kind of misconduct and violation of journal policy.
 - (xii) To encourage IPRs and start-ups as an outcome of research and development endeavors.
