Sir/Madam

In inviting a reference to the subject cited above, the undersigned would like to inform you that in the light of Govt. direction under references, bank account is to be opened for the students from Class I to XII of all categories of schools/colleges. The whole exercise is to be completed by 30th November, 2020 without fail.

In this regard, you are requested to take necessary action in opening of bank account of students and complete the whole process within 25th Nov. 2020 as per the guideline mentioned below:-

1. Only the certification of the concerned Principal of the college certifying the pupils of their institution as Student is to be considered as documents for opening of bank account. Aadhaar number will be linkup with the Bank A/C of Students as soon as aadhar generated. This may be treated as KYC document for the time being. Account will be opened with Zero balance.
2. Further, the Students already having bank account in any bank will not required to open fresh account. They have to convert the said account to zero balance account. But if any student has account number in Post Office, he/she will have to open account number in the bank.
3. The progress of the account opening of students may be intimated to the undersigned on weekly basis for necessary submission of monitoring report to the Govt. of Assam.
